Group S.P.I.R.I.T. Children Party on the Wild Side

The support group of Autism Family Times welcomes travelling zoo for children with autism

Fanwood, NJ, March 7, 2011 - On March 3, 2011 the Scotch Plains Public Library was filled with an evening of excitement, education and discovery. Group S.P.I.R.I.T., the parent support group affiliated with Autism Family Times with Brianna, invited "Party on the Wild Side Traveling Zoo" as an added attraction for the children at the monthly meeting in March. Brian Wild, instructor and owner of The Wild Side Zoo in Staten Island, is an entertainer committed to spreading his passion about animals and wildlife. He magically interacted with children of various abilities in an evening of educational learning as they touched and experienced the world of wildlife.

Group S.P.I.R.I.T. is dedicated to support families affected by autism spectrum disorders. Meetings are held monthly, the first Thursday of each month at the Scotch Plains Library. For more details, please refer to website www.autismfamilytimes.org.

Autism Family Times with Brianna pioneers customized, therapeutic, educational family-centered programs utilizing the services of partners sensitive to the needs and challenges of people with Autism, their siblings, and caregivers. More information about the organization is available at www.autismfamilytimes.org or by calling (908)889-8860.
